Work Experience

Full Stack Developer	Springreen	November, 2023 - May, 2024
<ul style="list-style-type: none">● Spearheaded backend development projects utilizing the Django framework, proficiently constructing robust APIs with Django Rest Framework (DRF) and integrating PostgreSQL databases to ensure optimal data management and retrieval.● Demonstrated expertise in front-end design to enhance user experience and interface functionality across multiple projects.● Implemented continuous integration and continuous deployment (CI/CD) pipelines, streamlining the development process and ensuring efficient project delivery.● Utilized Docker and Kubernetes for containerization and orchestration of applications, enhancing scalability and resource utilization.● Leveraged AWS services to deploy and manage cloud-based solutions, optimizing performance and reliability.● Configured Nginx web server to efficiently serve web content and handle reverse proxying for various applications.● Engineered authentication pages utilizing django-allauth, ensuring secure user authentication and authorization processes.● Implemented real-time communication features using Django Channels, enhancing interactivity and responsiveness within web applications.● Integrated payment gateways including Stripe and Cashfree to facilitate seamless and secure transactions.● Integrated JavaScript functionalities to enhance dynamic interactions and user experience on web applications, ensuring seamless frontend-backend communication and increased interactivity.		

Education

Bundelkhand University	2021 - 2024
Bachelor of Computer Applications	Web Development
Government Inter College	2020 - 2021
Intermediate Education in Science	Maths

Skills

- **Programming Languages:** Python, SQL, Shell, HTML/CSS/JavaScript
- **Framework:** Django, Flask, Django Channels, Django Rest Framework, Django-Allauth
- **Databases:** PostgreSQL, MySQL
- **Tools:** Git, GitHub, Linux, Nginx, Docker, Kubernetes, AWS
- **Soft Skills:** Team Work, Collaboration, Time Management, Critical Thinking, Problem Solving
